

## College View High School Vehicle Regulations and Registration

Any student who drives a motor vehicle of any type must register their vehicle online at <http://cvhs.csisd.org>.

The cost of a parking tag is \$25.00 per year. (replacing lost or stolen tags - \$5.00 / parking fines - \$5.00 per ticket in accordance with the Student Handbook as approved by the school board.)

### Vehicles on Campus

1. Vehicles parked on school property are under the jurisdiction of the school. School officials may search any vehicle any time there is reasonable cause to do so, with or without the permission of the student. A student has full responsibility for the security and content of his or her vehicle and must make certain that it is locked and that the keys are not given to others. [See also Policy FNF and the Student Code of 58 Conduct.] Students are held responsible for any prohibited objects or substances found in cars and will be subject to disciplinary action. [See Searches page 59.]
2. Drivers are expected to exercise good judgment behind the wheel at all times. On campus, ten miles per hour (10 mph) is the maximum speed limit. Parking permits for student parking spaces will be sold during fall registration on a first-come/first-served basis. Students must leave their vehicles immediately upon arrival in the parking lot and enter the school. No student without a pass from an administrator may return to the student parking lot during the day. Students parking along the streets are under the City's jurisdiction and should follow all city laws. Parking permit must be properly displayed at all times and is transferable to other vehicles registered in the office. Replacement tags can be purchased for \$5.00 in the office. Motorcycles will properly display sticker permit on rear fender.
3. Violation of parking or driving regulations on campus may result in disciplinary action, parking ticket and fine, towing at the owner's expense, and/or loss of privileges for the remainder of the school year. **Fines will be assessed and parking privileges may be revoked for the following violations:**
  - o Parking in undesignated areas (e.g. curbs, islands, faculty spots)
  - o Forging parking tags.
  - o Not displaying parking tag; failure to display a parking tag in the correct manner.
  - o Displaying forged or another student's parking tags
  - o Speeding
  - o Reckless driving

### Vehicle Regulations, Registration, and Parking:

1. Parking on campus is a privilege not a right. CSISD is not responsible for damage or theft of the vehicle or anything within the vehicle.
2. All students who park a motor vehicle of any type must register their vehicle the first day the vehicle is on campus. Vehicles are to be registered with administrative assistant or assistant principal in the main office.
3. The fee for a parking permit is \$25. Replacing lost or stolen tags will cost \$5 and require a signed note from parent/guardian.
4. Students are responsible for the security of their vehicle and permits. Therefore, they should not loan anyone their keys or permit. Any student found in violation of the regulation regarding transfer of permits will have the permit revoked immediately.
5. Each vehicle that is parked on campus must have a permit which is interchangeable between cars. If changing vehicles or buying a new one, please notify the office immediately and register that vehicle.
6. Motorcycle and motorbike permits must be affixed with the sticker adhesive to the rear fender in plain sight. Failure to do so will result in a ticket.
7. Tickets will be issued for improper parking, parking in a staff space, and/or failure to display a parking permit in the correct manner, speeding, and reckless driving. The fine for a ticket is \$5.00 and must be paid within five (5) calendar days.
8. Disciplinary action will be taken for parking tickets. For every three parking violations a student receives, they will be issued one everyday infraction which will be calculated into their cumulative everyday infraction total. For questions regarding tickets, please contact the administrator responsible for parking within two (2) days of receiving the ticket.
9. Rules governing vehicle use on campus:
  - a. Student vehicles are to be driven only on paved areas. The use of a vehicle in an unsafe manner (i.e. excessive speed, squealing tires, driving on grass, etc.) will result in loss of parking permit, parent conference, and disciplinary action.
  - b. Once a student arrives at school, the student is to park the vehicle and leave the parked vehicle immediately. Students are not to loiter in or around parked vehicles at any time before, during, or after school.
  - c. Falsification of information on the registration form or parking permit will result in the loss of the privilege of parking on the campus for the remainder of the school year and a fine of \$25.00.
  - d. According to school board policy, "The district has the right to search a vehicle driven to school by a student and parked on school property whenever there is reasonable cause to believe it contains articles or materials prohibited by the district."
  - e. Parking privileges may be revoked for failure to comply with these regulations.
