March 5, 2019

Dear Parents and Students:

It is that time of year when the planning begins for the next school year! In this packet are several items:

- 5 Year Graduation Plan Planning Sheet
- CVHS Endorsements Chart
- Course Request form

We would like for parents and students to go through these items together and plan carefully for next year and the subsequent years. We would like for course requests to be turned in Monday, March 25.

The 2019-2020 Course Catalog will explain each of the courses and outline any prerequisites for each. A digital version of the course catalog can be found on our website at cvhs.csisd.org on the drop down menu under "Academics" or a hard copy may be picked up at our front office. Please be aware that inclusion in the course catalog does not guarantee that the course will be offered. Elective courses will be offered based on staff availability and student interest.

The 5 Year Graduation Planning Sheet is for your use in planning for the rest of the student's high school career and the year after. It is important to choose the proper courses to allow the student to accomplish their goals after high school.

The CVHS Endorsements Chart shows the endorsements that are offered at College View and the courses that are needed to achieve each endorsement.

The Course Request form should be marked with the 8 courses that the student would like to take for the 2019-2020 school year. Two additional courses should be marked with an "s" as a substitute course in case one of their first choices is not available. These forms are due back to Ms. Rath by Monday, March 25.

If you would like to meet with Ms. Rath to discuss next year's schedule, you may schedule an appointment by calling the front office at 764-5540. Appointments are available Monday, March 18; Tuesday, March 19; Thursday, March 21 and Friday, March 22.

Sincerely,

A handwritten signature in black ink that reads "Laurie Rath".
